Dear Parents/Carers,

Clubs and Extra Activities - Autumn 2015

Over the past few years the schools have been working hard to offer a wide range of clubs and extra activities to appeal to the interests of many of our children. We have been fortunate to have many experts involved in running these clubs.

We will endeavour to keep the clubs growing and adding new and exciting opportunities for our children, we will keep you updated! If you have a specific area of expertise you would be able to offer help with, please let the office know.

Overleaf is an outline of the clubs and extra activities we will be offering until the end of this half term. If you would like your child to be involved in a club, please fill out the correct slip attached and return it to the office. Children are welcome to join any of the after-school clubs. These clubs will commence during week beginning Monday 14th September 2015.
