- Developing outdoor adventurous play and fitc £10760 – see action plan

Impact

Fitc and PE resources

- We have bought in specialist PE provision for two years which has up skilled our class based teaching staff: they have benefitted from a programme of observations where they have observed Good practice, completed action plans on how they will transfer learnt skills to

their own practice – see Lesson Observations and individual staff impact reports. This has resulted in an improvement in the quality of PE teaching and learning

- Children receive Outstanding PE teaching fully resourced to teach the full range of skills
- An improvement in children's skills as identified in detailed assessments of progress
- Children benefit from good role models
- Increase in provision of after school clubs
- Improved motivation through linking sport with English and Maths, particularly for boys

Npects

- Long term nationally accredited CPD to ensure long term improvement and accountability of Good and Outstanding PE across both schools (when the TA has completed her training in Autumn 2014 she will teach classes across both schools and provide training for CT's)

PE co-ordinator CPD and whole school CPD

- A co-ordinated approach working alongside the Npects trained TA to provide Outstanding PE provision aligned to the new National Curriculum – see action plan
- An increase in numbers of tournaments and competitions children participate in
- An increase in profile of PE and healthy lifestyles – Sportasaurus competition each week, celebrating in weekly assembly, healthy lunch programme
- Specialist CPD for staff for teaching of PE
- Children more aware of importance of healthy lifestyles – 6 week programme for upper KS2 children

Outdoor area

- School Council have asked the children in school and worked with the PE co-ordinator and TA to design a pirate ship and castle to include a bouldering wall at both schools to develop adventurous play

External Agencies

- Baseline outdoor activity centre provides activities such as : climbing wall, trampolines on a termly basis
