Easton & Otley College

Easton Campus are having a Family Fun Day on Sunday 5th June from 10am - 4pm this will be a fun filled day out for everyone, exploring the campus and finding out what goes on. There will be many children's activities and lots to have a go at and see. Please see attached flyer for more information.

Filing Cabinet

We have an old filing cabinet in the foyer by our school office, we would like to know if anybody would like to give a small donation to the school if they would like this.

SAT's

Congratulations to the Year 6 children who showed excellent growth mind-sets whilst taking their SAT's. They have all tried their best and have a very positive attitude to their learning. Well done and I hope you enjoy all the exciting events planned for you until the end of term.

Hair Styles

We expect children to come to school with clean and natural hairstyles and colours. Hair that is longer than shoulder length, should be tied up and clipped back enabling children to work efficiently and safely throughout the school day. We do not allow 'tram lines' or 'carved' hairstyles or hair gel as we have found this to be very distracting. We do however often have non-uniform days linked with themes or to fundraising events and on these days it is fine to dress hair in different ways.

Rec/Yr 1 Request

Our Reception/Yr 1 class have asked if anybody has any old duvet covers, blankets or tents they no longer need as the children love building dens in the class during the day.

Biking to School

It has come to our attention that more care needs to be taken when arriving or leaving the school if coming and going by bike; there have been some very scary near misses and even with parents/carers driving carefully, some have had to brake suddenly when children are biking across the road without stopping and looking first.
