Friday 27th May 2016

Stage School

Aylsham High School is providing a weekend stage school. Saturday's from 10am - 1pm term time only, please see attached flyer.

Wool Request

Can you help us with any donations of knitting wool - any colour/thickness? The children are helping Mrs Clarke make Pom Poms for the children living in the mountains in Thailand and the neonatal ward at the Norfolk and Norwich hospital. Look out for details of the club that will be running next term. This will also be the activity run by both schools at the Family Learning Day on Saturday 11th June at the High School.

Family Learning Day

The Aylsham Cluster Trust would like to invite all children and their families to come and join them for an exciting Queen's 90th Birthday Celebration Family Learning Day on Saturday 11th June at AHS. This is the 10th anniversary of this event where all schools in the cluster take part. We will be there with our Pom Pom activity and hope to see many of you there. All activities are free of charge. Please see attached flyer.

Football

Starting after half term football every Tuesday will be for KS1 only. We also have a new PomPom club starting with Mrs Clark every Thursday till the end of term. New club letter and permission slips are attached.

Filing Cabinet

We have an old filing cabinet in the foyer by our school office; we would like to know if anybody would like this. Please let us know by the end of this week.

Parking

The allotment committee has contacted us regarding complaints that have been received as parents are parking on the access road to the allotments - this is the road which runs up the center of the allotments. The access road should not be used for parking and the entrance to it should be kept clear at all times.

Yours assistance in this would be very much appreciated.

Staffing

As is usual for this time of year there have been some changes to our staffing at Hevingham. Some of these will take effect from September but Mrs. Browne who has done a fantastic job with our EYFS/Year 1 children will be leaving us on Friday 17th June. Mrs. Kylie Curtis, who will be newly qualified, will be taking over for the last few weeks of term before we welcome Miss Christine Coulter, our new permanent teacher from September. Mrs. Christine Coulter will be joining us for a few days next term to meet the children and families before she starts in September. Dawn will still be working her lunchtime duty as an MSA but as of Friday 27th May, she will no longer be working in our EYFS/Year 1 class; she will be replaced by Mrs. Alison Cooper. Unfortunately Mr. Bannister will also be leaving us in July at the end of term. We shall all miss him and I would like to thank him for all the good work that he has done in the classroom and in leading Math's across the schools and in the cluster. Mrs. Howard is also leaving at the end of the summer term and we wish her well in her new adventures. Mrs. Howard has worked across all year groups and has done some fabulous work with the School Council and in leading RE. We will miss her greatly. To recap, the staffing structures for September 2016 will be:

EYFS/Year 1 - Miss Christine Coulter
Year 2 - Mrs. Pickering
Year 3, 4 - Miss Lewis and TBC
Year 5, 6 - Mr. Gibbons

Mile A Day

All the children across both schools will be taking part in the Mile a Day running challenge. For the summer term we will be introducing a daily mile run - or walk to start off with, for all children, into their school day. Children will be able to exercise for no more than 15 minutes each day; running or walking. Daily physical exercise has a broad range of health and education benefits. This is being run by Norfolk NHS and there will be more information to follow. If any parents or grandparents, aunts, uncles would like to join the children and staff, class teachers will inform you of the timings at the beginning of the term.

Book Review

Marion Sinclair-Russell and Abbi Jewiss have both written book reviews from their favorite books. Please see attached.

Diary Dates

Fri 20th 2.45pm Rec/YR1 assembly
