Healthy Schools

Hevingham and Marsham schools are committed to being healthy schools and promoting the health and wellbeing of the school communities. Children are encouraged to drink water throughout the day and teachers act as role models. They are provided with named cups/bottles. Drinking water is available in each classroom. We do not allow fizzy drinks to be brought into school because of their high sugar content. Please support us with this matter, thank you.

School Uniform

We are delighted to advise parents that we now have a simple and secure service to order your child's school uniform online and pay using a credit/debit card or cash using Parent pay. Please see attached flyer.

Hilltop

Residential and day trips form a very important part of the school curriculum. The children thoroughly enjoy these events which highlight key aspects of the curriculum.

Due to the increasing costs and the low uptake of families wanting their children to attend such trips, we have decided to run the Hilltop residential for Year 5 and 6 only next year during term time: 15th - 17th May 2017. The cost will be approximately £209 but it will be the only residential for the year. Please let me know if you have any further suggestions or ideas.

The Short Stay School

On 1st July The Short Stay School For Norfolk are holding a 1940's themed Summer Fair. People will be dressed in 1940's hairstyles and clothes. There will be prizes for best dressed make, female and child. The event will be from 11am until 2pm. There will also be a number of stalls and old music throughout the day.
