Healthy Schools

Hevingham and Marsham schools are committed to being healthy schools and promoting the health and wellbeing of the school communities. Children are encouraged to drink water throughout the day and teachers act as role models. They are provided with named cups/bottles. Drinking water is available in each classroom. We do not allow fizzy drinks to be brought into school, because of their high sugar content. Please support us with this matter, thank you.

Smart Swim School

Smart Swim School Holiday Club are running 4 days of intensive swimming lessons 27th - 30th July at Smart Swim, Norwich Road, Reepham, NR10 4NR. The ages are 4-12 at a cost of £35 per child. They will learn confidence building, water safety and stroke improvement, there will be a higher teacher to pupil ratio and the teachers will be in the water with the children, parents are also able to sit and watch on poolside, if you require more information and to book your child a place please call Julia on 07795109291.

Hilltop

Residential and day trips form a very important part of the school curriculum. The children thoroughly enjoy these events which highlight key aspects of the curriculum.

Due to the increasing costs and the low uptake of families wanting their children to attend such trips, we have decided to run the Hilltop residential for Year 5 and 6 only next year during term time: 15th - 17th May 2017. The cost will be approximately £209 but it will be the only residential for the year. Please let me know if you have any further suggestions or ideas.

Email addresses

From September we will be emailing the newsletter to Parents & Carers, please can you let the office know your email address by emailing office@hevingham.norfolk.sch.uk so we can update our system.

Thank you.

Nasty Nits

They are back again!
