Parking at Marsham School

Set out below is an extract from an e mail from Marsham Parish Council:-

"I am writing as clerk to Marsham Parish Council, with the hope you will be able to help. As you are probably aware, there is an issue in the High Street with parking and traffic in general. We have received complaints from residents who are having their

drives blocked by parents of children attending either the school or the Dandelion School. We realise that this is not the fault of either of your organisations but we wanted to write to neighbouring parishes to request that something is placed in their newsletters asking if parents could be considerate of the houses they are parking in front of and to ask that drives are not blocked and to drive safely in the Village."
