Welcome Back

How lovely it is to see all of our children, new and old, ready for the year ahead. We have many exciting things planned and know that our children will achieve many amazing things over the year. Everyone looks sparkly in their new school uniforms; just remember to name all items so that we can return them swiftly to you. Equally, if your children bring something home that is not theirs, by accident, just return it to the school office. The key dates for the year are enclosed; please write them on your calendar now so you don't miss any exciting events. As always, any queries or issues please don't hesitate to come and see a member of staff or myself.

A message from FOMPS

New members are required for the Friends of Marsham Primary School committee. Please contact Diane in the school office if you think you can help us!

Also, could we remind all parents to bring in any outstanding monies that you have collected from our sponsored geo-caching held on Monday 17th July?

Thank you

JoJo Bows

Please can you refrain from sending your children in to school with JoJo Bows in their hair. As beautiful as some are, they are becoming an increasing distraction in class.

Shoe Boxes

We will be supporting the Samaritan's Purse this year by packing and sending of shoe boxes crammed with goodies for less fortunate children to open at Christmas time. With that in mind, please keep or bring in any normal sized shoe boxes so that we can start collecting.
