Hope you have all had a fantastic Summer Holiday

Welcome back to school for our Autumn term! It has been lovely to hear about the interesting things children and their families have been up to over the summer and I know that they are all ready for the new challenges that will face them throughout the year. Our school priorities for the term will be sent home soon on our Key Drivers sheet, if you have any questions about them, please come in and see me.

We would like to welcome Mrs. Aston and Miss Durban at Marsham and Miss Metcalf at Hevingham- brilliant additions to our team and we are looking forward to helping them settle into both schools. An attendance letter is being sent home soon; please remember to ring the school early in order to let us know of any absence.

As always please come in and see us if you have any questions. Mrs. Board
