Violin Lesson (YR1 - YR6)

As a school we are striving to increase the amount of musical tuition we provide and following our Violin lessons we held last term we would like to gather your opinion as to whether this is something your child/ren would like to learn and advance their music skills, there would be a cost to this session so once we know how many would be interested we can then look at cost. If you would like more information or are very interested please see Mrs Pickering in our YR 1/2 class.

Request

We are looking for a small wooden bookshelf, one for each school, to start a book swap. They don't need to be in fantastic condition as we will be modifying them to make them our own. If anyone has one spare, please let the office know! Thank you.
