Hevingham Family Learning Day

Our family learning day is fast approaching - Tuesday 25th June from 9am-12noon & 1.30pm - 3pm. We would like to invite all parents/carers, grandparents, uncles, aunts, younger brothers and sisters to join their child for a science, art and writing family learning day. Parents/carers are very welcome to join either or both the morning and afternoon sessions. The day will be themed around building bridges. If you attend at any point during the day you will be entered into our raffle to win one of our science prizes!
