Message from Mrs Board

We have made it to the summer holidays (nearly!). I want to thank you for your continued support with your children over the past year.

Our schools are safe, happy environments that are open and transparent with all stakeholders. With the recent Ofsted questionnaire that went out there are areas that you feel we could work on more, which we will be addressing early next year.

I would like to extend my thanks to the hard working and supportive team of people that work in our schools that continue to offer exciting and engaging curriculums, challenging learning and a nurturing environment for your children. Without them our schools would not be the places they are.

I wish you all a wonderful holiday with your children and look forward to seeing them in September. There are some holiday activity ideas on this website to help you if you get stuck- <https://www.theschoolrun.com/tips-for-a-great-summer-with-kids>

See you all in September!
