

**Evidencing the Impact of Primary PE and Sport Premium  
2018-2019**

### **Hevingham and Marsham Primary School Partnership Vision for PE**

We believe that physical education is an essential part of a child's educational development. We aim to develop a broad, rich and engaging curriculum offering a variety of activities to enhance skills in PE. Positive and inclusive participation in PE will enable children to build self-esteem, team work and positive values and attitudes in PE and across the curriculum.

We aim to:

- Develop confidence, skills and knowledge
- Develop physical literacy
- Provide new quality sporting opportunities
- Be proud of achievements
- Promote fair play and respect
- Encourage children to live healthy, active lives
- Engage in competitive sports and activities

There are 5 key indicators that our schools expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

### **How we use the primary PE and sport premium at Hevingham and Marsham Primary School Partnership**

Like all schools we intend to use this funding to make additional and sustainable improvements to the quality of our PE and sport offer. This means that we use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

We do not use your funding to:

- employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements as this comes out of our core staffing budgets
- teach the minimum requirements of the national curriculum - including those specified for swimming

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> <li>Upskilling staff members and purchase of new dance resources</li> <li>Improvement of our outdoor area and lunchtime provision.</li> </ul>	<ul style="list-style-type: none"> <li>We are looking at improving our outdoor area next to the playground to make it more suitable for use in poor weather.</li> <li>The children have said they would like climbing walls. This would be introducing a new activity to the children and enable them to have more active lunchtimes and increase desired behaviour</li> </ul>

Meeting national curriculum requirements for swimming and water safety	%
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	50.0% (4 out of 8)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	50.0%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	50.0%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	No but this needs to be considered for September 19. We will assess the cohort and see if this is required.

Academic Year: 2018/19	Total fund allocated: £37,648 (18-19 allocation and £21,328 used from 17-18 allocation).	Date Updated:29/07/2019		
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 1.48%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Lunchtime resources will be purchased in order to allow all children to continue to be active during lunchtime and further develop their gross motor skills.	Playtime leader did an audit of playtime resources and identified that certain pieces of equipment needed replacing in order to be safe. Discussion with children allowed them to identify what equipment they wanted.	£557	Children continuously use the outdoor equipment and it is supporting their physical development. There are several children that have ADHD so extra resources have supported their engagement in their provision.  There have been fewer incidents on the playground as children are engaged in using the equipment correctly and set up physical challenges regularly.	Continue to monitor if any other gaps become evident. Maintain equipment.  Bench mark children and identify those that are vulnerable and encourage them to complete physical activity at lunchtimes (MSA involvement)  Organise trips to sporting events in order to give children high aspirations.  TA to take classes weekly to do gardening and other physical outdoor activities for them to experience a different

				<p>type of physical activity.</p> <p>Well-being needs identified and addressed accordingly.</p> <p>Look at who we want to use the field we have just got back from Dandelion nursery. We are carrying forward a lot of funding for this purpose.</p>
<p><b>Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement</b></p>				<p>Percentage of total allocation:</p> <p>0%</p>

**Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport** Percentage of total allocation: 2.84%

School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
TA/MSA to undertake the Level 3 National Qualification in Teaching and Learning in Primary PE	Book course ready to start September 19.	£950	Increased confidence in planning and delivering PE. This knowledge can be shared with other staff members and this TA can teach PE at our partnership school as well.	Discuss with staff in Summer term what gaps there are for training. Identify training that will support staff in their teaching of PE.
Outdoor learning course	Booked for Spring 19.	£120	This staff member is able to involve the children in more outdoor activities which keeps them active but also engages them in their learning.	

**Key indicator 4: Broader experience of a range of sports and activities offered to all pupils** Percentage of total allocation: 0 %

School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:

<p>Identify opportunities for children to increase the range of physical activities that they can experience.</p> <p>To enable children to encounter less common sports. Children to participate in taster sessions and have the opportunity to continue the support in local clubs.</p> <p>Year 5 and 6 to go Hilltop Outdoor Centre for their annual residential.</p>	<p>To identify unusual sport/activities for our children to experience through workshops in class time.</p> <p>Afterschool clubs identified and run by the school – dodgeball, running, athletics, football.</p> <p>Already booked for Feb 2019</p>	<p>Partnership school paid for this.</p>	<p>School booked karate and bhangra workshops, a FITC whole school assembly on keeping fit and healthy.</p> <p>Clubs have a good uptake and children have the option of which sport to do.</p> <p>The children experienced a wide range of activities e.g. climbing/high ropes/abseiling/zip wires</p>	<p>Vary sports clubs offered using child input.</p> <p>Continue to identify unusual sport workshops to offer children.</p> <p>Consider funding some after school clubs to ensure high levels of engagement in the future when sports funding is no longer available.</p> <p>Running club to continue and children to attend a 5k Park Run in the Autumn term 2019 to further support physical activities.</p> <p>Book a residential for 2019-2020</p>
<p><b>Key indicator 5: Increased participation in competitive sport</b></p>				<p>Percentage of total allocation:</p> <p>0.2%</p>
<p>School focus with clarity on intended <b>impact on pupils:</b></p>	<p>Actions to achieve:</p>	<p>Funding allocated:</p>	<p>Evidence and impact:</p>	<p>Sustainability and suggested next steps:</p>
<p>To identify opportunities for children to compete in the wider community to achieve and pass challenges.</p> <p>Maintain inter school sport competitions- netball, football, cross country and tag rugby.</p>	<p>Ensure communication with cluster and further afield to ensure all opportunities are taken up.</p> <p>Children identified if they show talent in an area and competitions matched to their need.</p>	<p>£82</p>	<p>Children have football training weekly delivered by a HLTA.</p> <p>A dodgeball event to raise money for the British Heart Foundation was successful and engaged families.</p>	<p>Children to become sports peer mentors in Year 5/6 to support younger children.</p>

<p>Increased confidence in enjoyment in team sporting events.</p> <p>To offer transport for children to sporting events</p>			<p>Dodgeball tournament was attended by Year 6 pupils during school and workshops were run by the high school.</p>
