Appointments

Please remember if you would like to see your child/ren's class teacher for any reason; please make an appointment with the school office. It is very disruptive to chat to them in the morning when they are teaching. They will be more than happy to see you at the end of the day. Thank you.

Miss Crane

Some of you may have noticed that Miss Crane has not been in school recently. Unfortunately she is not very well and will not be with us for the rest of the term. Hopefully she will pop in to say goodbye. I know you will join us in sending her good wishes to get better soon.
