Home Start

Help Home-Start to support families in your area. Are you able to spare a couple of hours a week volunteering for Home-Start Norfolk? Home start is looking to recruit and train parents to become part of their home visiting volunteer team. Volunteers offer one to one support to families finding it hard to cope for a wide range of reasons. This could be due to multiple birth/children under 5, sleepless nights, isolation, loneliness, children's behaviour or just struggling with the emotional and physical demands of parenting. Their volunteers offer friendly, non-judgemental and confidential support through weekly visits to a family in their own home. To volunteer, they ask you to attend our free 8 session volunteer preparation course, (term time only) If you are interested, or for more information please call 01603 977040.

Water Bottles

Please make sure your child/ren's water bottle is filled with water and not juice. We will be replacing any juice in their bottles with water.
