They're all around us but we cannot see them. Come and discover the extraordinary world of microbes - the invisible organisms that shape our planet. Join your larger-than-life tour guide Brenda and friendly and forgetful lab assistant Charles as they unearth miniature monsters and curious creatures in hidden worlds much closer than you might think. The Crow's Tale

Thursday 24th October, 2.30pm
Cost: £6 per ticket (usually £9)

Inspired by a Lenni Lenape Indian legend, The Crow's Tale tells the story of a crow with colourful rainbow feathers. In the middle of a snowy winter, when all the animals are cold and hungry, Crow selflessly travels to the sun to ask for warmth. Crow embarks on a journey that will transform his appearance forever, while kindness, generosity and courage

will shine through. The story is highly visual, retold using string marionettes, a specially composed soundtrack and sophisticated lighting. A rare opportunity to see long-string marionettes. **Suggested for ages 3+**
Running time: 45 minutes

Rumpelstiltskin and the Snail of Destiny

Saturday 26th October, 2.30pm
Cost: £6 (usually £9)

Poor Polly Buckwheat, the Miller's daughter, is in a bit of a pickle! If she doesn't turn a roomful of straw into gold by morning, the greedy King will turn a bit nasty. Should she accept the kind help of an eccentric dwarf who mysteriously appears in her prison cell? Rumpelstiltskin has got to be the most mixed up of fairy tale characters. He is helpful yet demanding; secretive yet nosy; short yet owning a name as long as his beard. Using its trademark puppets, music, storytelling and transforming sets, Widdershins creates gold on stage with this new version of the classic Grimm's tale. **Suggested for ages 4+**
Running time: 50 minutes

All performances at Norwich Puppet Theatre, St James, Whitefriars, Norwich, NR3 1TN

Black History Month

Black History Month has been marked in the UK for more than 30 years. It takes place during the month of October and happens because so often in the past, the contributions made by black people to the community were ignored or played down. Black people weren't treated the same way as other people because of the colour of their skin. Black History Month aims to address this unfairness by celebrating the achievements and contributions of the black community over the years. Keep an eye out for the activity in this brochure and other activities taking place across the county that have been selected to raise awareness of black history. More information can be found at www.blackhistorymonth.org.uk
