### THANK YOU

I would like to extend my thanks to all of our families that have supported the school over this difficult year. Our schools have such a supportive team of staff and everyone has worked so hard putting the children's safety first, often before their own. As a school community we have had to pull together in a way that has never been done before, there has been much to learn and adapt to. I would like to wish my staff a relaxing well-earned rest over the summer.

### OPENING IN SEPTEMBER

We are currently working on what September will look in our schools. What we know so far is that all children are expected back in September, classes are going to be treated as 'bubbles' and there should be no cross over of children from different 'bubbles'.

As you can appreciate, this will take time for us to plan in order to get current government guidelines absolutely correct for our children and families. With this in mind, more information will come to you over the school holidays to reassure you as to how we will be achieving them.

### UNIFORM

During our partial closures, pupils have not been expected to wear uniform. This was due to shops not been open to replace uniform that had become too small. In September we are back to normal with our uniform as shops are now reopen. Please see attached uniform expectations for our pupils, also please note the following-

- Nail varnish must be removed.

- School shoes must be black leather shoes, not black trainers.
- If your child/ren has coloured their hair during the partial closure time, please remember that this must also be back to normal colour when we return.

### EMAILS

Class teachers will **not** be checking emails throughout the summer holidays so if you need to contact us or have any issues please email the office@ or head@ email addresses if you need to get in touch.

### GOOGLE CLASSROOMS

Thank you for supporting your child/ren in using google classrooms to allow them to keep in contact with their class teacher and to continue their learning.

This platform will continue to be used in September to support homework throughout the classes. However, there will be no work set throughout the holidays.

### Term Dates

A copy of key dates for the year will come to you in September but in case anyone is planning a holiday, here are the start and end dates of each term.

**Mon 7<sup>th</sup> September - Back to School**
