Welcome Back

We are now well into the Autumn term and sadly the weather is not as nice as in the picture above, however, the children and staff are settling into their routines and working really hard at keeping each other safe and well whilst getting their teeth stuck into their learning.

With our risk assessment in place to help with COVID-19 arrangements we are constantly reviewing how things are going and adapting to new challenges as they arise; such as bad weather!

I understand how difficult it is not being able to come into school currently, and we are working on ways that we can make our families feel included. Please let us know if you have any suggestions.

Safeguarding

If you have any concerns about your own child's welfare or the welfare of others, please contact one of our DSL's (designated safeguarding leads) and they will be happy to help.

Parent Support Advisor

Parenting isn't easy and sometimes things can get tough. As a parent/carer you want what is best for your child. Our Parent Support Advisor is available to listen and support your family with any issues or concerns from home or school you may be facing. Carol Flatters is our TACT (families) Parent Support Advisor. If you would like to speak to Carol she can be contacted by email at cflatters@aylshamhigh.norfolk.sch.uk or by calling 07780 922545. (term time only) She may not have all the answers, but she can offer:

- A confidential listening ear
- Help to enable you to express your concerns about your child to the school and act as a link between school and home.
- Support and advice if you have concerns about your child's social, emotional or behaviour development, helping you nip things in the bud before they get serious.
- Support with transition - as they start to move between schools

- Give hints and tips about general parenting issues
- Help to find services and other agencies who are available to help you and your family
