## Welcome Back

We are now well into the Autumn term and sadly the weather is not as nice as in the picture above, however, the children and staff are settling into their routines and working really hard at keeping each other safe and well whilst knuckling down to get their teeth stuck into their learning.

With our risk assessment in place to help with COVID-19 arrangements we are constantly reviewing how things are going and adapting to new challenges as they arise; such as bad weather!

I understand how difficult it is not being able to come into school currently, and we are working on ways that we can make our families feel included. Please let us know if you have any suggestions.

## Safeguarding

If you have any concerns about your own child's welfare or the welfare of others, please contact one of our DSL's (designated safeguarding leads) and they will be happy to help.
