Parenting isn't easy and sometimes things can get tough. As a parent/carer you want what is best for your child.

Our Parent Support Advisor is available to listen and support your family with any issues or concerns from home or school you may be facing.

Carol Flatters is our TACT (Families) Parent Support Advisor.

She may not have all of the answers, but she can offer:

- A confidential listening ear
- Help to enable you to express your concerns about your child to the school and act as a link between school and home
- Support and advice if you have concerns about your child's social, emotional or behavioural development, helping you to nip things in the bud before they get serious.
- Support with transition - as they start or move between schools
- Give hints and tips about general parenting issues
- Help to find services and other agencies who are available to help you and your family including financial signposting.
