Easter message from Mrs Board

Well- what a term! Open for a day, then back into lockdown for 8 weeks and then back to some form of normality for 3!

Although we are well on our journey for the government roadmap to less restrictions over the holidays, we need to remain vigilant and stick to the 'rules'. Please remember to inform us of any symptoms/positive test results that develop over the holidays.

Although they are all tired, the children have been so adaptable and loved being back with their bubbles. Hopefully we will begin to be able to have visitors back into school soon so that they can show you all the lovely learning they have been doing.

Please rest over the Easter holidays, enjoy meeting up with people, when we can (under the current restrictions!), and we look forward to welcoming you all back in April.

Attendance reports

Due to lockdown and how we submit our attendance data we will not be sending home the attendance reports this half term, if we have any concerns regarding your child/ren's attendance you will be contacted by the school office individually. Thank you for your understanding in this matter.

YR6 Transitions Days to AHS

We have been very understanding around uniform since our full reopening early in March. Obviously non-essential shops will not be reopening until Monday 12th April at the earliest.

We will therefore continue to be accepting of children wearing non-uniform items but will be

expecting parents and carers to purchase new items by **19th April**.

If your child needs to wear a non-uniform item, please try to make it as close to what would be expected as possible i.e. black leggings not grey.

Thank you for your support with this.

YR6 Transitions Days to AHS

The transition days for Year 6 to AHS will be Wednesday 30th June, Thursday 1st July and Friday 2nd July. We will know more on how these days will take place nearer the time.
