# WELCOME

Welcome to Tots2Teens' Christmas brochure! Tots2Teens offers a wide range of activities to keep young people entertained during the school holidays.

This Christmas, participant's lunch will be provided at all sessions with this symbol. Once you have booked onto an activity, you will receive an email with lunch options for you to choose from. We cater for all dietary requirements and allergies.

Payment must be made by credit or debit card at the time of booking. **All fees are non-refundable, unless we are able to fill the space.**

We offer a discount on all activities for Broadland households claiming Council Tax reduction, Housing Benefit or having housing costs met through Universal Credit.

We are also partnering with Norfolk County Council and Active Norfolk again to offer places through the Big Norfolk Holiday Fun programme. If you have a HAF code please call to book.

If you wish for your child to attend and leave an activity without an adult, the council will require written permission from the parent/carer stating this intention before the date of the relevant activity.

**Please note children may only be registered and dropped off from 10 minutes before the start of the session.**

To be eligible to attend sessions, children must live or go to school in the Broadland District Council area.

Broadland District Council holiday activities follow guidance for out-of-school childcare. All staff have an enhanced Disclosure & Barring Service check. If you would like to inspect our policy and procedures document please ask a member of staff.

Day 1: We will be learning how to control virtual and real robots
