Pheasants & Friends

Some of the Year 5 and 6 children have decided to lead clubs at lunch time! Currently, we have an art club, Maths club, tennis club and a gymnastics club. The other children are welcome to join in - there is no payment or need to register! Obviously the club leaders will tell children when it is full each day, but so far the children have LOVED being able to learn and play together without adults being involved!

Well done Year 5 and 6- super leadership skills!

Christmas Cards

This year we are delighted to say that children will be able to write Christmas cards for each other! We just ask that they are in school by Friday 10th December. We will then leave them over the weekend ready to give out in the last week of term. However if you would like to bring in a donation for the local food bank instead, or as well as, each class will have a 'Christmas Food Bank Box' to put their donations in and school will arrange to have these picked up by the end of term to help support families that are in need in our local area after a quarantine period.
