Message from Mrs Board

It has been another term dictated by COVID restrictions; luckily our settings have had very few cases and we have continued to be able to keep our children, families and staff well protected from the virus. This is due to you, our families, being extra vigilant regarding illness and taking the correct precautions when needs. I must extend my thanks to all staff that continue to work tirelessly, planning learning activities that continue to engage and progress learning within our COVID procedure constraints- not an easy task!

As the final touches are being made to our filmed Christmas productions, I must thank you for providing and making costumes, helping your child/ren to learn songs and lines and most of all for being incredibly respectful of the decision made early on to make this an online performance. The children have worked so hard- I hope you enjoy them.

Hopefully, early in the new year, things will have progressed to the point where we will be able to invite you all in to join your child on their learning journey.

Please continue to stay safe over the festive period, enjoy your wonderful children, eat lots of mince (or pork) pies and play lots of family games together. We look forward to seeing you all after the break in the new year on Wednesday 5th January 2022!

Merry Christmas and a Happy New Year
Mrs Board
