### Tots2Teens

#### Summer holiday activities

Tots2Teens are now taking bookings for their activities taking place in the summer holidays. This summer marks 30 years that they have been running activities for children and young people and they have over 65 sessions taking place, including plenty of new sessions like skateboarding, short film creation and animal care. They are a Big Norfolk Holiday Provider meaning that children and young people in receipt of means-tested free school meals can attend up to 20 of their full day sessions this summer for FREE. There are no codes this year, parents or carers who have children who are eligible just need to give them a call on 01603 430525. A free lunch will be included for all children attending any of their full day sessions. Please see summer brochure attached.

### The Big Norfolk Holiday Fun

We're delighted to inform you that booking for The Big Norfolk Holiday summer activity scheme is opening on Monday. Activities start from 25<sup>th</sup> July and parents will be able to use the booking link to search and book an activity for their child. There are thousands of spaces available across Norfolk and some brilliant activities to choose from, They are encouraging parents to take a look at the Every Move activity finder as soon as possible to secure their first choices. An email has been sent to all parents / cares with links and further information today. If you have not received this email please let the office know.

### Books for Schools

Thank you so much for your support. We collected 3,070 tokens from the EDP for the Books for Schools initiative which ran from October through January. As a result we were able to order £100 worth of books!

### Sports Day

We have received some fantastic feedback from many parents regarding Sports Day and what a lovely event it was, we are so glad the weather stayed nice for us all. We will also be using some of the constructive feedback given to help shape our next sport day in the summer of 2023! Photo's of our Sports Day will be uploaded to the website shortly.

## Healthy Lunches

A polite reminder that we operate a healthy schools policy and therefore would ask that you do not send fizzy drinks, chocolate bars and sweets into school. We would ask that children have at least 1 portion of vegetable and 1 portion of fruit in their lunch box.

## Family Learning Day

Thank you to all that attending our summer Family Learning Day, the children had a great time!

## "Gadgeteers" Reading Challenge

Norfolk Library and Information Service is delivering this years Summer Reading Challenge which is provided by The Reading Agency in partnership with the Science Museum Group. The theme is Gadgeteers and it has an exciting STEM focus. Please see attached information.

## Sports Equipment for Schools

We are collecting the Sports Equipment for Schools. Please can parents, guardians, grandparents, friends and neighbours bring their tokens in before they recycle newspapers!
