Our Vision

We have been talking with the children about our school vision and linking things that happen at home and school to the statements below. If your child completes anything at home that demonstrates any of our values, please let us know so we can celebrate it in school!

Tots2Teens October half term sessions

Bookings are now being taken for Tots2Teens activities taking place in the October half term. Big Norfolk Holiday Fun funded places are now available in half term, however families who are in receipt of means-tested benefits from Broadland District Council are entitled to a 50% reduction on the promoted cost of the sessions. Families need to get in touch with us on 01603 430525 or leisure@southnorfolkandbroadland.gov.uk to get this discount applied to their membership. A healthy snack will be provided for all children during October half-term, they do each need to bring a packed lunch and refillable drink bottle with them.

Water Bottles

Please remember that it is water only that should be in water bottles brought into school. We do not permit flavour waters or squash. Children are encouraged to drink regularly through out the day.

Open Day

We are inviting children and their families to come and have a look around our school if they are due to start in Reception in September 2023. We also have some availability in other year groups. Please call the office for more information.

Holidays

Please can I remind all parents that children should **not** be taken out of school for holidays. It is incredibly disruptive for both your child and the staff that will need to catch your child up with their learning when they return.

Unless holidays are booked under exceptional circumstances, for example a close family members wedding, it will be marked as unauthorised and will result in a fine or an attendance panel meeting if it meets the threshold.

Outside Play

As a little reminder now that the colder and wetter weather is upon us, you are very welcome to send in a pair of Wellington boots and a spare pair of socks for play time for the children. You can find a full list of appropriate school uniform in the 'School Uniform and Appearance' section on the website.

Naming items

Just a reminder to name everything piece of uniform, it is the only way that it will return to you if lost. We have a lost property box, you are free to check in there if things do go missing.

Girls Football

Horsford F.C. in partnership with Motive8 Sports are starting girls only football sessions for those aged 4-11 starting Friday 7th October. They are looking to increase the girl only provision throughout the club and create more teams for the 23-24 season.

If anyone is interested in attending, please see below for details:
