Our Vision

School Dinners

An email went home earlier this week but just to make you aware that after the Christmas holidays the price of a school dinner will be increasing to £2.50. We have kept the price as low as possible and have not increased it since April 2019 but need to do so now to cover the costs that we pay for the meals. If you have any questions, please come and ask at the office.

Young Carers Assembly

An assembly took place this week with Claire Rogers from Caring Together. She came to talk to the children about what life was like being a young carer for members in their family and the support that can be accessed. The children listened sensitively and asked some questions.

Remembrance Sunday

The children were congratulated for being respectful and thoughtful whilst having a remembrance assembly and two minute silence in school. Our house captains represented the school brilliantly at Hevingham Church on Sunday 13th and laid our beautiful alternative wreath at the war memorial. Thank you to everyone involved.

Children In Need

We raised an amazing £150.36 for Children in Need this year - well done to all and huge thank you.

Mini London Marathon

Well done to everyone who completed the Mini London Marathon.

All participants will receive a badge as a memento for all their hard work and efforts which will be sent home soon.

Tots2Teens

Bookings are now being taken for Tots2Teens activities taking place in the Winter school holidays. A range of activities are available including cookery, sports, arts and technology, our brochure listing details of all activities that are taking place can be found [here](#).

Children's achievement out of school

Linking to our vision, we are keen to celebrate in school the achievement of our children. We were very lucky to have Chester and his Dad present in assembly Chester's recent achievements and progression with his karting. Well done Chester- what a successful learner!

Upcoming Events- including Dyslexia Awareness

2023
