## Our Vision

## Start to the year

After a fantastic Christmas and New Year break the school has been busy with our theme this term that is 'Tell me a Tale'.

We have school book week in February and our theme this term is 'The Jungle Book'.

At the beginning of February, we will be taking part in number Day with our children and focus on Safer Internet Day.

On the last day of term, we will have a non-uniform day to raise funds for our Friends of Hevingham who are our fantastic group of parents who give their time to help us raise money to support the school and children throughout the year.

Our older children are also off to spend 3 days trekking through the trees at Hilltop activity centre, fingers crossed for nice weather!

## Book Talk

This month's question is 'When is your favourite time to read and where?' Please do join in the conversation and talk at home about this question, sharing your answers together. The children will be able to see some of the staff's answers on the display in school and have the chance to talk about their opinions in class.

## Willow Arch installed

This half term we have made a new addition to our outside area. Joe Blackburn, from Living Willow Services, came to erect our new willow dome with tunnel, a place for the children to play in as well as learn. We look forward to watching it grow and provide much needed shelter in the summer.

## Friendly Faces

Our Year 6 group of Friendly Faces (previously known as Bully Busters) attended a Friendly Faces event held at Aylsham High School this week.

The Friendly Faces have been fully trained in supporting children in our school if they have any worries, friendship issues or direct or indirect bullying they may have received.

The Friendly faces will be available every break and lunchtime to support any children that have any worries, big or small.

## Friends of Hevingham

On the 9<sup>th</sup> February there will be a movie night hosted by the Friends, details have been sent home this week.

On the last day of term, we will have a non-uniform day to raise funds for our Friends of Hevingham who are our fantastic group of parents who give their time to help us raise money to support the school and children throughout the year.

## Local Swimming Lessons

Please see below for further information about local swimming lessons that your child can join.
