Our Vision

This Term

The theme this term at the school is 'all about me'. KS2 are looking at the human body and how it works and KS1 are looking at similarities between ourselves and families, including disability.

Year 2's and Year 6's are working hard towards their SATs and all children have participated in lots of physical events including International Dance Day, Quidditch and the Disney Superstars.

Everyone is really looking forward to and busy planning for the Kings Coronation on the 5th May, by learning about British values.

KS2 SATs

Please refer to the letter sent home regarding drop off arrangements during SATs week - 9th - 12th May. We really appreciate your help with this.

Attendance

We are seeing a huge increase in parents making the decision to book holidays during term time. Please remember that parents should plan their holidays around school breaks and should not take children out of school unless it is unavoidable. Holidays are classed as unauthorised absence and will potentially be subject to a fine.

Please refer to our attendance letter sent at the beginning of the year. It is worth remembering that when children miss school they are at a disadvantage to their peers, both socially and academically.

School Council Meetings

The children have been consulting across the school about homework to get views from all about if they think it is beneficial.

A questionnaire will be coming home soon so please look out for it and then we will share our findings with all.

Olly Day Road Safety Magic Show

We were visited by the Olly Day Road Safety Magic Show which was performed on behalf of Norfolk County Council and covered essential road safety learning for primary school children. Please chat to your child about what they learned and help them to put it in place when near roads - responsible citizens!

KS1 Disney Superstars

KS1 children took part in the Disney Superstars held at Bure Valley School. The spirit of the games was 'Self Belief' and the children had a go at different games led by year 6 sports leaders. The games were inspired by a variety of Disney characters. Florence was chosen from Hevingham as the person who showed the spirit of the games the best - great confidence Florence!

Quidditch

As part of our PE Enrichment programme the children took part in Quidditch. A fast paced game which was enjoyed by all!

Friends of Hevingham

The Friends raised an amazing **£197.25** from their Easter Fayre including a Tombola and Raffle.

A big thank you to everyone that helped and took part!

International Dance Day

On the 28th April we celebrated International Dance Day with a Hip Hop dance class for all the children in all age groups. Everyone really enjoyed the lesson and joined in with all the fun. Huge thank you to Georgie for coming to teach the children!
