1. **Governance**

General

- 1.1 The governing body meets at least once a term and has set up committees to assist the governing body in the decision making process.
- 1.2 The governing body agrees, no later than by the end of term, the dates of meetings for at least the next term.
- 1.3 Committees of the governing body meet at least once a term, except the Appeals Committee which will meet as required.
- 1.4 A list of all governors, their membership of committees, terms of reference of each committee and the functions delegated to each committee is included in Appendix A.

The Governors

- 1.5 The governing body approves the school finance policy annually.
- 1.6 The governing body is responsible for the overall direction of the school; it determines the school's spending priorities and evaluates the effectiveness of spending decisions.

The Head teacher

- 1.7 The governors delegate responsibility for the day-to-day management of the school to the head teacher.
- 1.8 The head teacher ensures compliance with the financial regulations in Norfolk's Scheme for Financing Schools.
- 1.9 The head teacher ensures that sound systems of internal control are in place.
- 1.10 The head teacher compiles draft budgets.
- 1.11 The head teacher monitors the budget monthly and supplies the management committee with monitoring information.
The information for the management committee takes the form of Norfolk's budget proforma, includes committed expenditure and is accompanied by the head teacher's written commentary.

The Staff

- 1.12 Staff comply with financial regulations in Norfolk's Scheme for Financing Schools and any school specific requirements.
- 1.13 Staff are responsible for any budget whose management is delegated to them.

The Management Committee

- 1.14 Membership is determined by the governing body and reviewed annually in the Autumn term.
- 1.15 The management committee is responsible for:
 - agreeing the budget for submission to the LA by 1 May each year and reporting the budget to the governing body
 - all financial appraisals
 - forecasting numbers on roll and future budget shares
 - monitoring and adjusting in-year expenditure

- ensuring accounts are properly closed and reviewing the outturn position
- evaluating the effectiveness of financial decisions
- administering voluntary funds

as set out in the terms of reference for the management committee.

- 1.16 Any review of staffing is first considered by the management committee who assesses the budgetary implications of the recommendations and advises the governing body accordingly.

Expenditure Limits

- 1.17 The inclusion of an item in the approved budget plan gives authority to spend, save that the head teacher seeks approval from the management committee for any individual revenue or capital transaction in excess of £3,000.

- 1.18 The head teacher authorises virements up to £3,000. Above this amount management committee approval is sought. All virements are minuted.

Orders

- 1.19 Quotations are obtained or tenders sought for purchases exceeding the limits set out in Norfolk's Scheme for Financing Schools.

Minutes

- 1.20 Minutes are taken which record the basis for any decisions made and clearly state the decisions themselves. Draft minutes are circulated to members of the committee within one week of its meeting and are agreed and signed at its next meeting. The minutes of all committees are reported to the governing body.

Register of Business Interests

- 1.21 The head teacher maintains a register of business interest for governors and for staff who influence financial decisions. The register is attached at Appendix B.

2. Financial Planning

- 2.1 The school development plan includes a statement of its educational priorities to guide the planning process. The school development plan states the priorities in sufficient detail to provide the basis for constructing budget plans.
- 2.2 There is a clear, identifiable link between the school's annual budget and the school development plan.
- 2.3 For each of the key issues in the school development plan, costs and other inputs are identified and budgets prepared.
- 2.4 The school development plan is reviewed in the spring term to ensure that educational priorities are stated for the next three years and shows how the use of resources is linked to achieving the goals.
- 2.5 The school budget is revised after the review of the development plan and resources identified within the budget to deliver the plan's priorities.

- 2.6 The school budget is maintained for the current financial year and at least one further year.
- 2.7 The budget is based on realistic estimates of all income and expenditure so that planned expenditure does not differ materially from the agreed budget.
- 2.8 The budget and cash flow forecast are profiled in accordance with likely spending patterns.
- 2.9 In the event of a budget surplus this is earmarked for a future specified use.
- 2.10 A record is maintained of all ongoing commitments with explanations of any significant year-on-year changes.
- 2.11 All new initiatives are appraised by the management committee in relation to their costs, benefits and sustainability.
- 2.12 The main elements of the budget are fundamentally reviewed within a five year cycle. Benchmarking information helps to identify priorities.
- 2.13 The budget cycle is as follows:

Spring Term

- If necessary, the head teacher prepares a revised budget for the current year for the management committee to consider at its meeting in the first half of the term.
- The budget revision is approved by the management committee and reported to the next meeting of the governing body.
- The approved budget revision is sent to the LA by 28 February.
- A draft budget plan for the coming financial year, and at least one further year, is prepared by the head teacher and taken to the management committee meeting in the second half of the spring term.
- The management committee carefully considers the budget before approving the school's budget plan and reporting it to the governing body.
- The head teacher submits the approved budget plan to the LA by 1 May each year.

Summer Term

- The head teacher prepares a revised budget for the management committee to consider. The revision takes account of the actual balance in hand or overspending for the previous financial year.
- The budget revision is approved by the management committee and reported to the next meeting of the governing body.
- The approved budget revision is sent to the LA by the end of the summer term.

Autumn Term

- The head teacher prepares a revised budget for the management committee to consider. The revision takes account of any changes to the school development plan, staffing adjustments and changes to the number of pupils on roll.
- The budget revision is approved by the management committee and reported to the next meeting of the governing body.
- The approved budget revision is sent to the LA by the end of the autumn term.

3. **Budget Monitoring**

- 3.1 The head teacher produces monthly monitoring reports, which include committed expenditure.
- 3.2 The management committee receives the monitoring report at each meeting together with the head teacher's written report thereon. The report takes the form of Norfolk's budget proforma.
- 3.3 The head teacher identifies and recommends to the management committee appropriate remedial action for budget variances.
- 3.4 The head teacher recommends to the management committee how to vire any in-year underspends in excess of £1,500. (The head teacher is authorised to vire amounts up to £1,500)
- 3.5 The head teacher monitors expenditure on initiatives in the school development plan.
- 3.6 Holders of devolved departmental budgets are supplied with monthly monitoring reports. The head teacher monitors devolved budgets and agrees remedial action plans where necessary.
- 3.7 The head teacher produces monthly cash flow forecasts to ensure the school does not go overdrawn.

4. **Purchasing**

- 4.1 All orders comply with the LA's Standing Orders for Contracts as published in Norfolk's Scheme for Financing Schools.
- 4.2 The school demonstrates value for money through competitive tendering when appropriate or by using ESPO or other approved purchasing arrangements.
- 4.3 Prior approval of the governors is obtained for any expenditure in excess of £3,000. Orders are not artificially split to evade this limit.
- 4.4 The school will not enter into any "finance lease" and will ensure that any lease entered into is an "operating lease".
- 4.5 Three written quotations are obtained for any order whose value is estimated to exceed £10,000.
- 4.6 If a quotation other than the lowest is accepted it is reported to governors and the reasons minuted.
- 4.7 Contract specifications will contain the following:
 - contract duration
 - definitions
 - contract objectives
 - services to be provided

- service quantity
 - service quality standards
 - contract value and payment arrangements
 - information and monitoring requirements
 - procedure for disputes
 - review and evaluation requirements
- 4.8 The official pre-numbered orders are used for all services except utilities, rent, rates, petty cash and any payments due under a loan/lease agreement. Any urgent verbal order is confirmed by a written order.
- 4.9 Individuals will not use official orders to obtain goods or services for themselves.
- 4.10 All orders are signed by an authorised signatory and the finance office maintains an up-to-date list of signatories. This is attached at Appendix C.
- 4.11 The signatory will be satisfied that the goods or services are appropriate and necessary, that competitive tenders have been obtained where necessary and that there is sufficient budgetary provision.
- 4.12 Each order placed is entered in the school's financial system as a commitment.
- 4.13 The school checks goods received against the delivery note and the delivery note is checked against the invoice. The invoice is also checked against the order. Evidence of this is provided by the use of rubber stamps approved by Norfolk Audit Services. The other checks indicated on the stamps are also carried out. These checks are not done by the person who signed the order.
- 4.14 Payment is made within the agreed time limits after certification by an approved signatory.
- 4.15 An invoice is not authorised for payment by the person who signed the order nor by the person who checked receipt of goods/services. Payment is only made against the original supplier's invoice and not on a statement.
- 4.16 Governors have approved the use of a purchasing card by the head teacher. The purchasing card is to be utilised in accordance with Appendix 28 of the Finance Procedures Manual.
5. **Financial Controls**
- 5.1 A written description of all the school's financial systems and procedures (star account manual and financial procedure manual) is maintained. These are kept up to date and all appropriate staff trained in their use.
- 5.2 The head teacher has secured contingency arrangements to ensure that financial control can be maintained in the absence of key staff. These arrangements are financial support and advice from partnership administrator in either school.
- 5.3 The head teacher has due regard to separation of duties in organising financial duties. At least two people are involved in the completion of tasks and the work of one act as a check on the work of the other.
- 5.4 The school maintains proper accounting records. All transactions can be traced from accounting records to prime vouchers and all prime vouchers are traceable in the accounting records. The use of correcting fluid is not allowed. Any alterations to original documents are clearly made in ink and initialled to identify the person making the alteration.

- 5.5 Documents relating to financial transactions are retained in line with the LA's recommendations, as outlined in Appendix D.
- 5.6 All records are securely stored and access allowed only to authorised staff, i.e. head teacher, partnership administrator in either school.
- 5.7 Where there is a requirement to account separately for earmarked funding the head teacher ensures this is done and that money is spent on its intended purpose.

6. **Income**

- 6.1 The full governing body approves the school's charging policy and reviews it annually. The charging policy is attached at Appendix E.
- 6.2 Proper records of all income due are kept. Lettings are approved by the head teacher in accordance with the governors' policy and recorded in the lettings register. The lettings policy is attached at Appendix F.
- 6.3 The responsibility of identifying and recording sums due is separated from the responsibility for collecting and banking income.
- 6.4 Official pre-numbered receipts are given when requested. Other formal documentation is kept for other income. Receipts are kept securely and in order.
- 6.5 Pending banking, cash and cheques are locked away.
- 6.6 Income is banked promptly and in full. Paying-in slips show the analysis between cash and cheques and cheques are individually listed. Income is not used for making any payment or for cashing personal cheques.
- 6.7 Income recorded in the accounts is reconciled monthly with the bank statement.
- 6.8 Where invoices are required, they are issued within 30 days.
- 6.9 The school sends a first reminder for any unpaid invoice after 3 weeks, a second reminder after 6 weeks and a final reminder after 9 weeks. Legal action is considered if a further 14 days lapse. Debts are written off only in accordance with the school's bad debt policy (see Appendix G).
- 6.10 Any cash transfers between staff are recorded and signed for.
- 6.11 The Hevingham Under 5's service contract and charging information for parents/carers are detailed in Appendix H.

- 7.3 The reconciliation statement is signed by the person undertaking the reconciliation and reviewed and countersigned by someone who understands the reconciliation process.
- 7.4 The person completing the reconciliation is not responsible for processing receipts and payments.
- 7.5 Staff never use their private bank accounts for any receipt or payment due to or from the school budget.
- 7.6 The school's banker has been advised that the school is not allowed to go overdrawn or negotiate overdraft facilities.

- 7.7 The school is not allowed to enter any loan agreement except with the LA. (This does not apply to loans pre-existing at 1 April, 1999).
- 7.8 Each cheque is signed by two authorised signatories and supporting vouchers are made available to each signatory to safeguard against inappropriate expenditure. Cheques are not pre-signed. Only manuscript signatures are allowed.
- 7.9 All cheques are crossed 'account payee'. Cheque books are stored securely when not in use.
8. **Payroll**
- 8.1 Personnel procedures, including appointments, promotions and terminations are supervised by the Management committee.
- 8.2 The head teacher ensures that the duties of authorising any variations to the payroll are separated from the processing of claims.
- 8.3 The head teacher ensures that at least two people are involved in completing, checking and authorising any variations to payroll, whether temporary or permanent, and the payment of expenses.
- 8.4 Names and specimen signatures of authorised signatories have been sent to the payroll provider who will be promptly notified of any changes.
- 8.5 Only authorised staff are allowed access to personnel records, i.e. the head teacher, school administrator and leadership team (only with the prior consent of the head teacher).

- 8.7 Payroll transactions are processed only through the payroll system; this includes the payment of all expenses and benefits.
- 8.8 The head teacher maintains an up-to-date list of teachers and other staff employed at each school. This is held by the school administrator of each school and is amended, as necessary, on a monthly basis.
- 8.9 The monthly reports on payroll transactions are checked against the schools' budget working papers to ensure they match.
9. **Petty Cash**
- 9.1 Neither school has a petty cash account and, if it did, the head teacher would determine the level of petty cash to be held.
- 9.2 Cash would be held securely and access to it restricted to authorised staff, ie head teacher and school administrator.
- 9.3 Payments from petty cash would be limited to minor items, up to £25 in value.
- 9.4 Payments from petty cash would be approved by an authorised officer; supported by appropriate vouchers (including VAT invoice/receipt where necessary) and acknowledged by the recipient's signature.
- 9.5 Proper records would be kept of payments into or out of the funds.
- 9.6 The petty cash fund would be reconciled with the accounting records on a monthly basis. The reconciliation would be reviewed and countersigned by a member of staff not involved in administering the fund.
- 9.7 Personal cheques would not be cashed from petty cash.
10. **Tax**

- 11.2 The School Fund Accounts are accounted for separately from the school's delegated budget and held in separate bank accounts.
- 11.3 The funds have not been registered with the Charity Commission.
- 11.4 The governors have appointed a treasurer. For each school this is the school administrator.
- 11.5 The governors have appointed an independent auditor who is not a member of the governing body.
- 11.6 The same standards that apply to the school's delegated budget apply to the school fund except that it is kept on a receipts and payments basis rather than an income and expenditure basis.
- 11.7 Only income unconnected with the delegated budget is credited to the fund. Any income properly belonging to the school's delegated budget is credited to the delegated budget.
- 11.8 The head teacher presents the audited accounts together with the auditor's certificate and written report on the accounts to the governors as soon as possible after the end of the accounting year. They are presented to the management committee at their autumn term meeting.
- 11.9 The head teacher sends a copy of the audited accounts and auditor's certificate to the LA as soon as the governors accept them.

- 12.1 The head teacher ensures that stocks are maintained at reasonable levels and are checked physically at least once a year.
- 12.2 An up-to-date inventory is to be maintained of all items of equipment. Those that are portable, valuable and desirable are identified as school property with security marking.
- 12.3 The inventory is checked at least once a year, in the spring term. The inventory is signed as evidence of the check having been undertaken. All

discrepancies are investigated and any resulting in a loss of £100 or more will be reported to the management committee. Any loss exceeding £500 will be referred to the Head of Children's Services (Finance & ICT).

Charging Policy

1. Charges for School Activities

- 1.1 Legislation allows schools to charge for certain activities, which take place both inside and outside, school hours. Norfolk County Council has adopted a policy, which it recommends to governors, but it is for governors of schools to decide whether or not to follow the policy. The School's charging policy is described in its prospectus, which can be obtained from the school.
- 1.2 Hevingham and Marsham Primary Schools follow Norfolk County Council's charging policy and these are the activities and materials for which you will be charged:
 - Music tuition: individual tuition in vocal tuition or playing a musical instrument, which is neither part of the syllabus for an approved public examination, nor part of the National Curriculum. Schools may charge for instrumental tuition given to individuals or to groups of any size, provided the tuition is provided at the request of the parents. No charge may be made in respect of a pupil who is looked after by the local authority.
 - Ingredients and materials: ingredients and materials for practical subjects where parents have indicated in advance that they wish to receive the finished articles.
 - Travel: the cost of travel when a pupil makes use of transport not provided by the authority or school, to travel direct from home to an activity approved of, but not provided by, the authority or school.
 - Board and lodging: board and lodging will be charged in all cases where a school activity involves pupils in nights away from home. The charge will not exceed the actual cost.

2. Activities outside school hours

- 2.1 A charge may be made for all non-residential activities, which take place wholly, or more than 50% outside school hours, where the child's participation has been agreed in advance by the parents. The charge will include the cost of travel, entrance fees, insurance, books, equipment and any staff (teaching or non-teaching) engaged specifically for the activity.
- 2.2 Residential trips outside school hours - a residential trip is deemed to take place outside school hours if the number of 'missed' school sessions is less than half of the number of half days taken up by the trip.

For example:

Pupils are away from noon on Wednesday to 9pm on Sunday. This counts as 9 half days including 5 school sessions, so the visit is deemed to have taken place during school hours.

- 2.3 Schools **cannot** charge for:
- Education provided on any visit that takes place during school hours.
 - Education provided on any visit that takes place outside school hours if it is part of the national curriculum, part of a syllabus for a public examination the pupil is being prepared for at the school or part of religious education.
 - Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit.
- 2.4 Schools can ask parents for voluntary contributions towards the cost of:
- Any activity taking place during school hours
 - School Equipment
 - General School Funds
- 2.5 Children of parents unwilling or unable to contribute may not be discriminated against. If insufficient voluntary contributions are received, with no alternative method to make up the shortfall, the activity should be cancelled. It is advisable to make parents aware from the outset of the possible cancellation of an activity if insufficient voluntary contributions are received.
- 2.6 Public Examinations - charges are made for the entry of a pupil for a prescribed examination for which he/she has not been prepared by the school, or where the pupil entered for examinations in the same subject with two examination boards.
- 2.7 Remission of charges - only parents who are in receipt of Universal Credit (when fully rolled out), Income Support, Working Families' Credit, Disabled Person's Tax Credit or Income Based Job Seekers Allowance are eligible for remission of charges. Remission of charges only applies to board and lodgings charges, which are levied directly by the LA or the school and where they relate to activities, deemed to take place wholly or partly in school hours.
- 2.8 Remission will not apply to such charges when they relate to activities wholly outside school hours, except if the activity is prescribed in a syllabus for a public examination, if it is prescribed by the National Curriculum or fulfils duties relating to Religious Education.
- 2.9 Parents who have difficulty meeting any charges should discuss the matter in confidence with the Headteacher.

3. **Refund Policy**

- 3.1 The schools will consider making a refund of parental contributions if:
- a school trip has to be cancelled
 - a child is absent from a school trip due to illness
 - the contributions to a trip exceed the total cost, a refund will be given if the excess is over £3 per child

4. **Surplus or Deficit on School Trip**

- 4.1 Income above expenditure of less than £3 per child will be paid into the school fund account.
- 4.2 Expenditure above income will be funded by the school fund account.

Shared Use of Lettings Policy

1. Policy

1.1 Hevingham and Marsham Primary Schools are committed to the principle of the shared use of school premises. This commitment is founded on a two-fold aim:

- (a) to draw the schools, Adult Education and the Youth and Community Service and other educational providers into a closer partnership with the local community and
- (b) to optimise the use of educational facilities.

2. Availability

2.1 Shared use of premises may only be undertaken when facilities are not directly required by the schools or the County Council.

2.2 This policy relates only to the use of the premises outside the school day. Groups will not be charged for use of the premises during the school day, deemed as 8.00am – 6.00pm.

2.3 For the purposes of shared use, premises may normally be considered to be available:

- from 6.00pm to 10.30pm during the school day
- from 8.00am to 10.30pm outside the school day
- For seven days a week
- For 48 weeks in the year

3. Subsidy from the County Council

3.1 A subsidy will be granted when the user has registered and is included on the County Council's Schedule of Users.

3.2 The amount charged to the user will be in accordance with the County Council's standard scale of charges.

3.3 The subsidy will be calculated at the appropriate percentage either 25% or 100%.

3.4 The school will claim the subsidy from the County Council.

4. Charging policy for users who are not entitled to a subsidy from the County Council
 - 4.1 The amount charged to the user will be negotiated depending upon the use of the premises.
 - 4.2 As a minimum, the school will charge for the use of the premises in accordance with the County Council's standard scale of charges.
5. Procedures for school lettings
 - 5.1 Each school will follow the County Council's school lettings procedures.

Bad Debt Policy

1. Wherever possible, income due will be collected before or at the time the relevant sale or service is provided. Where this is not possible, an invoice will be raised for immediate payment.
2. All debts will be recorded and non-payment will be followed up by issuing reminders as outlined below. Where a service is being provided, this will cease immediately and the debtor will be informed of this in writing. The service will not be reinstated until the debt is cleared and payment of future services is made in advance.

- 3 weeks from date of invoice - 1st reminder
- 6 weeks from date of invoice - 2nd reminder
- 9 weeks from date of invoice - final reminder

The final reminder will be sent by recorded delivery and threatens legal action if the account is not settled within 14 days.

3. After 14 days, where a debt is still outstanding, legal action will be considered and the debtor will be informed of this in writing. The debt may be referred to the County Legal Services, where appropriate.
4. Legal action will not be taken for debts under £50.
5. If, after every effort has been made to collect the debt and legal action is considered impractical or has been unsuccessful, individual bad (irrecoverable) debts may be written off in accordance with the following procedures:
 - those up to the value of £100 to be approved by the headteacher and reported to the next meeting of the governing body
 - those exceeding £100 and up to the value of £500 to be referred to the governing body for approval, either directly or after consideration by the management committee
 - those exceeding £500 to be referred to the Head of Children's Services (Finance & ICT) (as per the Norfolk Scheme for Financing Schools)
6. The VAT element of any debt must not be written off as this contravenes HM Customs and Excise statutory requirements.

Information for Parents/Carers

Admissions Policy

The pre-school has an admissions policy, which is activated in the case of oversubscription. Places are allocated on a first come first served basis. In the event of competition for places, siblings are given priority on place allocation.

Pre-school application forms can be filled in and submitted when your child is three months old. The pre-school will provide written confirmation of any spaces or a response to an application submitted.

The admission policy is available upon request.

Notice Period

The pre-school requires six weeks' notice to change (subject to availability), reduce, or cancel sessions. In the event of a reduction in sessions or withdrawal of a child with less than six weeks' notice, full payment is required for the entire six weeks' notice period regardless of actual attendance.

The Service

The pre-school will look after and provide appropriate care and attention for your child during the sessions indicated above and at such other times as are agreed with you. The pre-school will provide an appropriate curriculum in accordance with your child's interests and needs, as well as providing nappy changing facilities as necessary.

Opening Hours

Monday to Friday 9.00am to 3.00pm.

Early Education Funding

The pre-school provides 3 and 4 year old children with government funded early education. This applies from the term after the child's third birthday (see table below), or if available as soon as your child turns 3.

A child born in the period	Will be eligible for a free place
1st April – 31st August	1st September following the child's third birthday (autumn term)

1st September – 31st December	1st January following the child's third birthday (spring term)
1st January – 31st March	1st April following the child's third birthday (summer term)

Government funding is intended to cover the cost to deliver 15 hours a week of free, high quality, flexible childcare only. 15 hours of funding is available to all 3 year olds.

The entitlement is offered free. Parents/carers will not be charged a "top-up" fee to recoup the difference between the amount received from the Local Authority and the current hourly rate.

Early Education is offered within the national parameters –

- no session to be longer than 10 hours;
- no minimum session length (subject to the requirements of registration on the Ofsted);
- not before 6.00am or after 8.00pm; and
- a maximum of two sites in a single day.

All families are entitled to claim up to 570 funded hours per year for 3 and 4 year old children from the term following their third birthday. Government funding advised as "15 hours per week" refers to a term time only calculation. The pre-school only offers term time (38 week). Early Education cannot be claimed for certain absences. Further details on early education is available through the Norfolk County Council Parents booklet:

<http://www.schools.norfolk.gov.uk/Early-stage/FinanceandFunding/NCC121619>

The free entitlements will be delivered consistently so that all children accessing any of the free entitlements will receive the same quality and access to provision, regardless of whether they opt to pay for optional hours, services or consumables.

To confirm your child has reached the eligible age for the free entitlements, you will provide documentation to evidence your child's date of birth. A copy will not be retained, but may be requested again at a later date.

We will work with parents/carers to ensure that as far as possible the hours/sessions that can be taken as free provision are convenient for parents'/carers' working hours.

Pre-school Sessions

If your child is not entitled to funding or wishes to attend additional sessions (up to 38 weeks per year), our fees are shown on our fees information sheet and session times are shown below:

Session and time
Session 1 – 9.00am-12.00pm
Session 2 – 12.00pm-3.00pm

Additional Charges

The additional charges apply to all pre-school users regardless of whether you are taking advantage of the 15 hours' free entitlement. Charges are shown on our Pre-school Fees Information Sheet.

Please refer to the prospectus for further details about providing food, nappies, nappy sacks and wipes for your child. You are welcome to bring snack and a packed lunch for your child, but please refer to the pre-school for guidance in case of allergies of children within the setting. If you chose to provide food for your child while they are at nursery, please ensure that any items are clearly marked with your child's name and are in appropriate containers.

Invoices and payment of fees

Invoices will be sent out at the beginning of each term. Invoices can be paid either by:

- paying in full immediately; or
- paying in two instalments, half immediately and half within five weeks of the invoice date.

Payments can be made by standing order or BACS. We also accept childcare vouchers through some schemes run by many employers. Please see the school business manager for further advice.

The bank details for Hevingham Under 5's BACS payments are as follows:

We will confirm these ASAP

Barclays Bank

Sort Code: 20-62-61

Account Number: 83128873

Please use your invoice number/child's name as a reference.

Our Ofsted registration number is: 120817

Additional invoices will be raised for extra hours (outside of the Pre-school Service Contract) and these must be paid in advance of the hours being used. All non-funded hours will be charged at the current hourly rate.

The invoice will be itemised to provide clear and transparent information concerning the charges as agreed in the pre-school Service Contract. It will allow parents/carers

to see that the entitlement is received completely free of charge and understand additional fees that have been applied.

No reductions can be made for children's absences, including family holidays in non-funded contracted hours.

Parents/carers are responsible for checking their invoices to ensure the correct contracted hours have been charged and correct early education funding amounts have been claimed.

Fee Payment Policy

In order to run our high quality childcare setting it is essential that fees are paid on time. Childcare fees are invoiced termly. The date that the invoice is due to be paid will be printed on the invoice, this will usually be 10 working days unless it is stated otherwise, as in the case of the second payment for a termly invoice. Ad hoc invoices are issued and due immediately.

Childcare should be paid for immediately to secure the child's place and allow for staff planning in accordance with OFSTED regulations.

Any account falling into arrears will trigger the following procedure:

- Email a polite reminder that fees are due soon;
- Email to say that fees are now overdue;
- If an account falls into arrears a reminder invoice will be issued to bring account up to date within 5 working days;
- If this fails, a letter will be issued informing that if account is not paid in full within 5 working days, the account arrears will be passed to a Norfolk County Council to recover via the small claims court **and the child will be unable to attend nursery for any non-funded hours. In addition, a charge equal to 10% of the balance owed will automatically be added to your account.**

(At any point in this process the Headteacher may choose to intervene and discuss the outstanding invoice with the parent/carers directly.)

Any child leaving the setting with outstanding fees will trigger the following procedure:

- In order to give a last opportunity to settle an account, the parent/carer will be informed of the date that information will be passed to Norfolk County Council.
- If the account is not settled it is out of the hands of the setting, and all payment **plus any additional charges** incurred by Norfolk County Council will have to be paid to them.

Deposit

The deposit of £50 needs to be paid before any reservations are confirmed. For the return of pre-school deposits, the notice period required is six weeks due to the financial commitment made and the time required to fill a vacant space; within the 6 week notice period the nursery reserves the right to retain the full deposit. Deposits are returned to funded-only children two weeks after they begin attending their booked sessions. Deposits for non- or part-funded children are applied to their account as a payment.

If a settling period has been attended at reduced cost and the decision is made not to begin your permanent sessions, the settling period will then be charged for. Part or full payment will be taken from the deposit fee already paid.

Registration fee

The pre-school charges a £10.00 registration fee once a childcare place has been offered. This is voluntary for those families whose child(ren) only access the funding entitlement. On receipt of a registration fee.

Retainer fee

The pre-school reserves the right to apply a fee (100% contracted hours at current hourly rate) to keep a place open for a long period of absence.

Increase in fees

The pre-school may increase fees and will give you written notice of any change at least four weeks in advance.

Regulations

The pre-school will comply with all the applicable statutory requirements.

Absences

If a child will not be attending a scheduled session you should notify the pre-school by telephone within 2 hours of the session start time. You should also give the pre-school as much notice as possible if you know in advance that your child will not be attending. Our register documents form part of our duty to effectively safeguard children.

Please note that normal fees are charged for any periods of absence, including family holidays in non-funded contracted hours. Please be aware that extended periods of absence may impact your child's funding.

Sickness

If your child becomes unwell while at pre-school, we will contact you and discuss whether you need to collect your child. The nursery adheres to the 'Guidance on

Infection Control in schools and other child care settings' (Health Protection Agency, 2010). The pre-school also seeks advice through Norfolk County Council and the NHS on individual cases.

If your child has sickness or diarrhoea, we will contact you and you must collect your child immediately. Your child will not be able to return until 48 hours after the last bout of sickness or diarrhoea.

If your child has conjunctivitis (sticky eyes), you must keep your child away from the pre-school until a doctor has seen your child and appropriate treatment has been given.

If your child has contracted or been in contact with one of the communicable childhood diseases, you must notify the nursery as soon as possible so that we can make other families aware. Normal school exclusion periods will apply.

Please give consideration to the other users of the nursery if your child is unwell. If you are unsure whether your child is well enough to attend, please contact the pre-school and ask a member of staff.

Medication

Should a child require prescribed medication to be administered while at the pre-school, this may be given at the discretion of the Headteacher. You must complete a medication consent form.

If a child shows symptoms of being unwell that requires 1 to 1 care, then the pre-school reserves the right to contact the parent/carer to collect their child. This is to ensure the wellbeing of staff and other children.

Smoking

The nursery operates a no smoking or vaping policy both inside and outside the pre-school and its grounds.

Notification

You must notify the nursery if any of the following events occur:

- Your child suffers from, or has been in contact with, any communicable disease.
- Your child has any additional needs.
- Your child is to be collected from the pre-school by someone other than you.
- Your child will not be attending a pre-booked session.
- Change of any information provided at registration.

You must immediately notify us of any change in emergency contacts or your child's doctor, address, or your telephone numbers or workplace.

Late collection

An extra charge will be made for the late collection of a child.

If you collect your child more than 5 minutes late (calculated using office digital time) we will issue a polite reminder, for subsequent occasions there will be an additional charge of £30 per late collection and a surcharge of £10 per 15 minutes after the first ½ hour which includes the basic cost of keeping two senior staff members on site to care for a child “after hours”. Whilst we have a legal responsibility and a professional duty of care to ensure that a child is looked after if a parent/carer is not in time to collect a child, the pre-school must operate within legal ratios and limits.

Loco parentis

Once a child has been registered with the pre-school, the pre-school staff will act “in loco parentis” during the time the child is attending the pre-school, both on and off the premises, until you collect the child. In the case of an accident or emergency, or in the event of illness, the pre-school reserves the right to take such actions as are deemed necessary, including hospitalisation and the administering of anaesthetics, even if you have not or cannot be informed.

Inclusive practice

We welcome children and families from all social, cultural and religious backgrounds. We value the diversity of family structures and life-styles. We aim to create a rich and diverse pre-school environment to reflect the social and cultural diversity in our communities.

We recognise that all children in the pre-school have a right to be listened to, respected, valued and protected from all forms of discrimination.

Please refer to the SEND and Inclusion Policy concerning the SEND support on offer to children and how we support families to choose the right setting for their child with SEND.

We aim to identify all children that may attract any additional funding such as EYPP, DAF, SEND Inclusion Fund and any locally available funding streams with a view to submit a claim/application to support and improve their outcomes.

Data Protection

Records will be held on computer and on written files. Only records that are essential to the nursery operation and applicable regulations will be requested. In accordance with the General Data Protection Regulations, if parents/carers do not agree to records being kept in this way, they should write to the School business manager. Please see our privacy notice on our website for further information.

Personal Items

All personal items brought to the pre-school should be named. We cannot accept responsibility for lost items.

Liability

The pre-school will not be liable for delay in performing or failure to perform obligations if the delay or failure results from events or circumstances outside our reasonable control.

Complaints

Our complaints policy is available upon request.

Where parents/carers are not satisfied that their child is receiving the free entitlement in the correct way (as set out in this funding agreement and in Early Education and Childcare Statutory Guidance for Local Authorities March 2017), a complaint can be submitted directly to the Headteacher.

Termination

This contract may be brought to an end by you or the pre-school giving the other at least six weeks' written notice. The agreement will come to an end at the expiry of that six week period.

If a debt has been accrued and not settled in the agreed time scale, then the contract will be brought to an end by the pre-school giving only one week's written notice.

Staff have a duty of care in all early years' settings to promote positive outcomes for all children, which are committed to building open and supportive professional relationships with families.

This means that everyone working in contact with children must endeavour to keep children safe and protect them from harm. This means that all adults have a statutory (legal) duty to report child protection or welfare concerns to Children's Services or the police.

Redundant Equipment Policy

1. The governing body has the authority to declare equipment, furniture or any other assets or stores surplus to requirements and to arrange for their sale or write off, provided the items concerned were purchased in full or in part from its delegated budget. Land and building are always excluded from this authority.
2. Where the estimated disposal value of surplus or redundant assets (equipment) or stores is less than £100 and sale is to be by public auction or competitive tendering, authority for disposal can be given by the headteacher.
3. The prior approval of the Management committee will be required where:
 - The estimated disposal value is between £100 and £500
 - The sale is not to be by public auction or competitive tendering
4. Where the estimated disposal value is above £500, these must be referred to the Head of Children's Services (Finance & ICT), (as per the Norfolk Scheme for Financing Schools).
5. A list of equipment disposed of will be presented to the management committee at its' next meeting. This list will show, so far as may be known, the item, date of manufacture or purchase, values when new and when made redundant (estimated where necessary) and disposal value.
6. The schools' inventory will be amended to show disposals and such entries will be endorsed by the head teacher.
7. The net income (i.e. excluding VAT) from the sale of surplus or redundant assets or stores purchased from the school budget will be credited back to the school budget.
