Our Vision

Welcome Back

What a great start to the spring term we have had! Children have started their new theme work 'Animal Magic' and we have had lots of sporting events where children have been able to shine. Last week we had our section 5 Ofsted Inspection at school, this was our first inspection with the pre-school under our wing. Thank you to all of our parents who completed the parents view questionnaire, a huge response which was noted by the inspector. We are all so proud of your children, they demonstrated our vision and key values brilliantly. The report should be with us in around 3 weeks, when it arrives, we will be able to share this with you. Our Year 5/6 children and staff are preparing for Hilltop soon in February, fingers crossed for some slightly less blowy and warmer weather! Please check the key dates document as we have some family learning times coming up in February- Mrs Board

Active Education

Once again, active education will be running holiday activities during February half term. This will include all their usual activities such as dodgeball & nerf combat, multi sports and their new creativity camps.

School Attendance

Every day at school counts, helping with learning, developing skills, and building friendships. As you can see since the beginning of the school year, attendance as significantly fallen.

Missed Minutes =
Missed Learning =
Missed Opportunities

Good attendance at school is one of the most important factors ensuring that children and young people have the best opportunities in adult life!

Your children should to be in school between **8.50am and 9.00am**. We understand illness cannot be avoided, however let's work together and boost the attendance at Marsham this term!

If your child becomes reluctant to go to school or you need help, please contact us immediately, we are more likely to be able to work together to solve any problems if we act early.

Month	Attendance %
September	97.76%
October	97.24%
November	95.61%
December	94.94%
January	93.71%

Our school attendance figure target is **96%**
