

English:

Our core text this half term is **Floodlands** by **Marcus Sedgwick**. We will be using this text to write a diary entry about the main characters experiences. The story will also inspire us to write a persuasive letter about climate change which links in with our geography topic.

Maths:

We start with some more fractions work, calculating fractions of quantities. In measures work, we will learn about perimeter. We will recap converting between units of measure We will learn properties and names of 2D shapes including different quadrilaterals. We will use co-ordinates.

Science:

This half term our topic is 'Forces and Magnets.' We will learn to classify forces and draw diagrams to explain them. We will look at how objects move on different surfaces and carry out experiments to investigate this. Finally, we will look at magnets and magnetic materials.

RE:

Our key question is '**what do Muslims believe about God?**' We will be exploring the Muslim religion to gain a greater understanding of their beliefs.

Spring 2 - 2024

Robin Class

PSHE and RSHE:

This half term's PSHE work will focus on balancing the stresses of life and promoting our own mental health and wellbeing. We will also talk about bullying

In our RSE lessons we will learn about some of the changes our bodies go through as we grow up. We will also think about our personal identity.

Theme (History or Geography):

This half term we have another Geography focus, with our theme of 'Up and Down'. We will learn about the water cycle and how water moves up and down. We will find out about different types of clouds and we will learn about climate change, the causes and how it is affecting animals and humans.

Creative Arts (Art and Design, Design and Technology, Music):

This half term we have an art focus and will be looking at Impressionism. We will learn about light and shade as well as using the techniques of broken colour.

Our music lessons will continue to be taught by Helen and will take place on Wednesdays.

Other Subjects:

PE lessons will continue to be on Thursday and will be outdoor teamwork activities.

In computing, we will continue our work using a Logo program to make shapes.

We will also continue learning French, describing ourselves and our family.
