## Our Vision

## Move to Hevingham

The Children had a brilliant week at Hevingham Primary School for book week.

As you will have seen from my letter and phone conversation with you last week, we have decided to move the children to Hevingham, daily, until Marsham School closes to help the children adjust to a larger school setting ready for September. Whilst I appreciate this is a big change for both children and parents, it has been made with the children's best interests in mind.

We will of course ensure that the children have time nearer the end of the year to be at Marsham to celebrate the school with the local community prior to it closing.

If you would like to visit Hevingham Primary to see where the children are learning, please contact the school office.

## World Book Day

The children had a brilliant day. Thank you to all the parents for the wonderful outfits.

## Dyslexia Awareness

We are delighted to offer parents/carers the opportunity to attend a Dyslexia Awareness workshop, delivered by Philippa Baillie from the Dyslexia Outreach Service.

This is offered as a free to attend workshop on Thursday 25<sup>th</sup> April, 12.30 pm - 2.45 pm.

The workshop will help those attending to gain:

- a great understanding of what dyslexia is.
- knowledge of how dyslexia can affect a young person in their learning

- knowledge of how to help at home if their child has difficulties with literacy
- a useful take home booklet with tips and resources to support children with reading, writing and spelling at home.

Please see attached flyer for more information.

### Attendance

Good attendance at school is one of the most important factors ensuring that children and young people have the best opportunities in adult life!

Your children should to be in school between 8.50am and 9.00am.

The School minibus will leave at 9am to avoid any missed learning for the children.

If your child becomes reluctant to go to school or you need help, please contact us immediately, we are more likely to be able to work together to solve any problems if we act early.
