

English:

This half term we will be inspired by Greek Mythology in our English lessons. We will be writing our own re-take of a well-known Greek myth using suspense writing. We will be writing a review of the Greek Olympics and using Greek mythology to write a poem.

Maths:

We start with some more place value work focusing on rounding and roman numerals. We will be continuing to practice addition and subtraction with increasingly large numbers and using mental methods to add and subtract. We will look at decimals, fractions and percentages towards the end of the half term.

Science:

This half term we are continuing to look at Earth and space. We will be learning about night and day and time zones. We will also learn about the geocentric and heliocentric view of Earth as well as the movement of the moon.

RE:

Our key question is **'how do beliefs shape identity for Muslims?'** We will be exploring the Muslim religion to gain a greater understanding of their beliefs.

Hevingham & Marsham
Primary School Partnership

Summer 1 - 2024

Owl Class

PSHE and RSHE:

Understand how sexual intercourse in humans leads to reproduction, as in all other mammals.
Understanding the diversity of culture and customs in our school and wider community.
Know the correct terms associated with gender identity and sexual orientation, and the unacceptability of homophobic and transphobic bullying

Theme (History or Geography):

This half term we have a history focus, with our theme of 'Winning and Losing'. We will learn who the Ancient Greeks were and know key dates in the history. We will be learning about the importance of Athens and Sparta, the origin of the Olympics and about the Greek Gods and Goddesses.

Creative Arts (Art and Design, Design and Technology, Music):

This half term we will be a Design and Technology focus where we will be making ceramic tiles. We will be exploring Ancient Greek artefacts including pottery and art. We will create ceramic tiles painted with Ancient Greek heroes and patterns to be glazed and fired.

Other Subjects:

PE lessons will be on Thursday and will be outdoor teamwork activities such as netball, basketball and tennis.
In computing, we will be looking at 3D modelling.
We will also continue learning French.
