

### Welcome back

We just wanted to welcome you all back to Pre-School. All children have returned and settled in well and are getting used to our new routines. We would like to wish a warm welcome to our new children and their families.

### All about me!

Our theme for this half term is 'All about me'. So far we have looked at what we look like such as our eye colour and hair colour. We have talked about how some of us have the same eye or hair colour but also that some of us have different coloured eyes or hair. We have talked about how it is ok to look different from our friends and that no one is the same. We have also enjoyed making portraits of ourselves which are up on display in the cloakroom so please take a look if you haven't already! We have also drawn and talked about who lives in our house.

### Congratulations Jade!

Baby Athena was born safe and well in July. Mother and baby are doing well, congratulations to Jade, her partner and their family. We were very lucky last week as Jade came to visit us with baby Athena. Jade has decided that she will not be returning to pre-school once her maternity leave is over. She has though promised to keep popping in to see us. We wish her well for the future.

### Tapestry

Some of you will already be aware but from now on all accident forms will be uploaded on Tapestry. If your child/ren has a head bump we will still call you to inform you like before.

### Pom Poms

You may have heard your child talk about pom poms. This is our new reward system. When we see a child do something amazing such as excellent tidying up or being kind they get to put a pom pom in the jar. Once the jar is full everyone will earn a special treat!

### Key Worker

By now you should all have been notified of your child/ren's key worker. If you are unsure please do come and ask one of us.
