June 2025

What we've been up to!

We have been enjoying the very hot weather that we have been experiencing recently and spending lots of time outside but also coming in when it was just too hot! We've done lots of water play to help us cool off and even had an impromptu water fight! The children have also been enjoying mark making on the big whiteboard outside where they have created lots of beautiful pictures and we've even seen some number writing practice on there. For our theme of 'People who help us' we have talked about how to stay safe and who helps us to stay safe. We have had a 'fire' outside and the children have very much enjoyed using spray bottles to try and put the fire out!

Sports Day

Thank you to everyone who braved the heat and came to our sports afternoon last week. It was so lovely to see so many of you there, thank you for coming and supporting your children. All of the children did so well and we are so very proud of them!
