Sept 2025

Welcome back

We just wanted to welcome you all back to Pre-School. All children have returned and settled in well and are getting used to our new routines. We would like to wish a warm welcome to our new children and their family.

What we've been up to

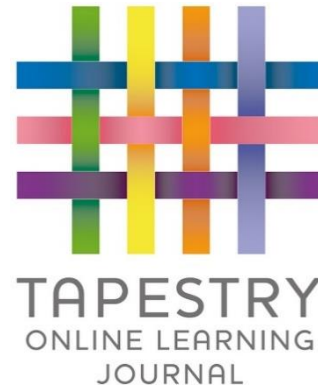

Our theme for this half term is 'All about me'. So far we have looked at our face's and bodies and talked about what is the same and what is different about each other. We have made some lovely artwork where an adult cut a picture of them into pieces and they had to put their body back together again. These will be displayed above the coat pegs shortly. We have also looked at our houses and the children have been telling us who lives in their house. We have also been enjoying playing with our resources again.

Tapestry

Tapestry is about to have a new look soon. We are unsure when this will fully happen but we just wanted to give you a warning.

Just a reminder that you are able to add your own pictures to Tapestry. We'd love to see what you get up to outside of Pre-School!

Weather

As the weather is now changing, please make sure that your child comes to Pre School with the appropriate clothing and footwear.
