

What we've been up to!

During November, we have enjoyed our theme of 'rhyme time'. We have sung lots of different nursery rhymes and have also looked at rhyming words. We have been doing lots of fine motor practise, making sandcastles in the sand and we even made and watched our very own underwater fireworks display.

We all took part in the remembrance day silence and we celebrated 'Children In Need' by going into the school hall and placing our pennies onto Pudsey. We also baked and decorated Pudsey biscuits. We have been busy practicing our christmas songs ready for our performance in a few weeks time!

Christmas Production

We will be having our annual christmas production on Friday 12th December. Your child was sent home with a copy of the lyrics to practice at home, if you need another copy then please ask. If your child does not attend on a Friday please drop them off at normal time and pick them up from us after the performance. If you haven't already, please check Tapestry to see what your child will need. The performance will start at approx 9:30. After drop off you are welcome to head over to the main school hall. All families and relatives are welcome to attend. We look forward to seeing you there!

Christmas Activities

Thank you to all of our families that came to our Christmas themed stay and play session on Tuesday 2nd December. We will also be having a Christmas party on Wednesday 17th December – details to follow.

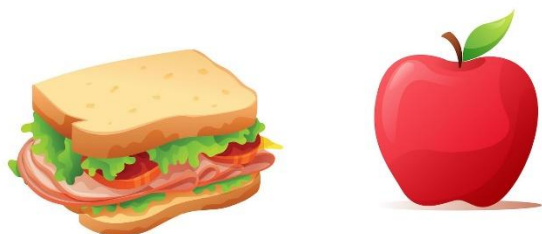

HEVINGHAM UNDER 5's NEWSLETTER

Nov 2025

Lunchboxs

Just a friendly reminder that lunchboxes need to contain at least 1 portion of fresh fruit alongside a sandwich/wrap/pasta etc. Also children are only allowed 1 treat so if their lunchbox contains more than 1 they will be bring the extra ones back home with them. Please also remember to pack a soon if you child needs one as we don't have many.

Weather

As the weather has now changed, please make sure that your child comes to pre-school with the appropriate clothing and footwear.

Rails

We have recently had some workmen in to replace all of our wooden handrails outside. We think they have done a great job and look amazing. To help us to keep them this way, please can you stop children from climbing on them in the mornings. Thank you.

Gate

When entering / leaving Pre School please make sure that you shut the gate behind you as this is a safety risk. It is also for us to know who is on site. Thank you.

**Please
shut the
gate**
